Return-to-Office & Hybrid Work Policy

NovaCorp Industries

Effective Date: October 2026

CONFIDENTIAL — Internal Use Only

1. Policy Overview

Effective January 2026, NovaCorp Industries adopts a structured hybrid work model. This policy balances the benefits of in-person collaboration with the flexibility that our employees value. All full-time employees are expected to be in the office a minimum of 2 days per week (Tuesday and Thursday are anchor days), with the option to work remotely the remaining days.

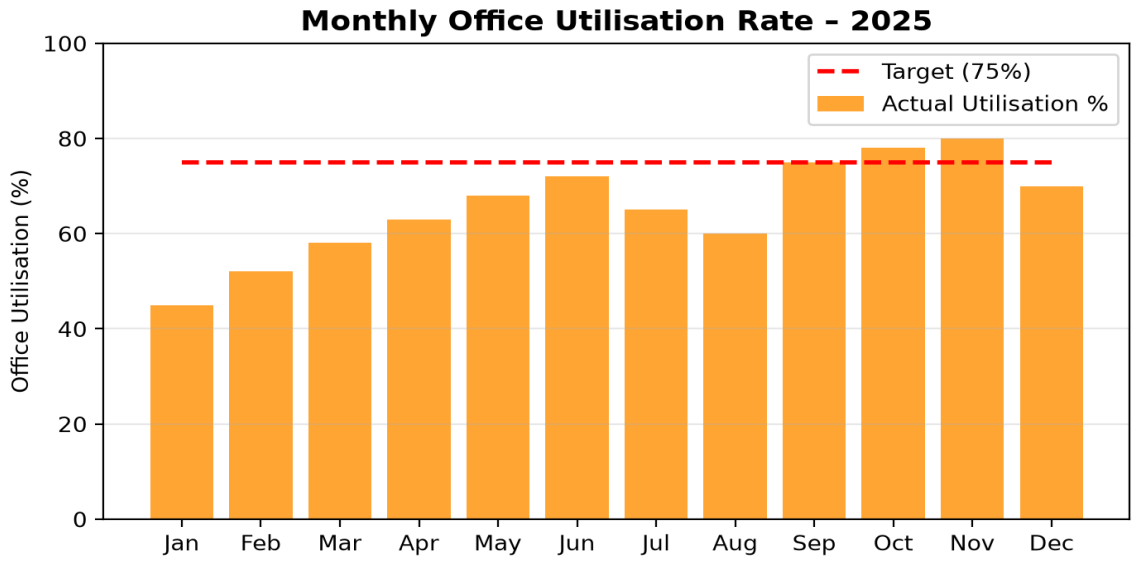

Scope: This policy applies to all full-time and part-time employees globally. Contract workers and interns follow department-specific guidelines.

Exceptions: Employees with approved medical accommodations, those in fully-remote roles (as indicated in their offer letter), and employees based in locations without a NovaCorp office are exempt from mandatory in-office days.
